

YAAPHA

Yaapha's mission is to address the needs of youth in providing safe, reliable and sustainable education regardless their economic status in Tanzania.

My experience at the orphanage in Urambo was just the best thing I have ever done in my life, I'm glad to know this is just the begging.

My name is Ana, I'm 21 years old, From Madrid , Spain.I volunteered with YAAPHA in August – September 2015. It's true that there are many amazing moments during the trip but, I think that the best part of the experience after all is the routine with the kids, the idea of knowing that you are going to see them every day, to share their happiness and way of life.
