

# YAAPHA

Yaapha's mission is to address the needs of youth in providing safe, reliable and sustainable education regardless their economic status in Tanzania.

**Thursday, April 24, 2014**

In 2014, YAAPHA has received a Volunteer from Germany. Her name is Slike and she spent several weeks in Tanzania. She was teaching at Pasua school in Pre-Primary Classes in two sessions: during morning and afternoon classes.

She was a very good teacher and the children enjoyed very much during her stay at the school. She was teaching Mathematics, English, Science and Kiswahili. The photo shows Slike during her teaching sessions.
