

# YAAPHA

**Yaapha's mission is to address the needs of youth in providing safe, reliable and sustainable education regardless their economic status in Tanzania.**

**Amanda Philips**

**Age: 25**

Female

Auckland, New Zealand

**Amazing time in Moshi, Tanzania**

*01/05/2016*

I volunteered in Tanzania for 2 weeks in May 2016 through YAAPHA TANZANIA and loved it. Organizing my trip through YAAPHA was great, they were helpful, friendly and efficient and were flexible enough that I was able to change things once I was there.

I was teaching Pre- Primary class at Pasua Primary school. My subjects was English , Mathematics and Science, I enjoyed o much playing with children and Sing together.
