## Trip of a Lifetime

When I first decided to begin my travels abroad, I dove right in and chose to go to Tanzania, Africa.

Thanks to the endless support from the YAAPHA's staff, this trip was easily the most memorable period in my life. My work in a rural Pre school in Simanjiro felt valued by the local teachers and the children were thrilled and eager to learn everyday. I also met some lifelong friends, which always makes travel and volunteering an even more exciting experience.
