### **Amazing experience in 2015!**

My name is Karen from Belgium , My success of going to Tanzania to volunteer was probably the best thing I've ever done. I met a lot of lovely people. I still keep in touch with a lot of them. During my stay I worked in the hospital (Urambo District Hospital) The circumstances are very hard and I will probably remember some of the children for the rest of my life. But I learned a lot of my stay in the hospital. It was amazing to meet local people and learn to know their culture. Tanzania is a wonderful country and I still miss it every day. My program was very amazing and got support from YAAPHA's staff
